ALUMNI NEWSLETTER — OKLAHOMA STATE UNIVERSITY — FALL 2015

DELTA CHI RECRUITS THE LARGEST PLEDGE CLASS IN RECENT HISTORY

The 2015 Pledge Class gathers before a dinner exchange with Pi Beta Phi Sorority Aug. 31. The recruitment team was led by Isaiah Hartman, Recruitment Chairman and Pledge Educator, and pledged 31 guys, bringing the house to full capacity for the first time in recent history.

[Photo by Isaiah Hartman]

The 2015 Oklahoma State Delta Tau Delta pledge class is a remarkable one by many standards.

With 31 new prospective members, this pledge class is the largest in recent history. Recruitment Chairman Isaiah Hartman brought in 12 of the best guys Oklahoma had to offer. K.J. Leu helped nab 14 guys from Texas, many of whom coming from the Dallas-Fort Worth Metroplex.

Although a majority of pledges came from Oklahoma and Texas, the entire class was not exclusive to these two states. One pledge came

to OSU from Boston, two came from Kansas and two came from California.

Not only was geographic diversity a big component of this pledge class, but this class also features guys with varying majors and career interests.

Some are MMA fighters and bodybuilders, while others are pilots and radio broadcasters.

Aviation was a big interest, in particular, for this pledge class. Three of the pledges are majoring in different focuses of aviation. Many of them already have their own licenses, and

Delta Chi will hold the 14th annual Homecoming Carnival Oct. 23.

With more than 6,000 people participating every year, the Delt Carnival is a huge part of "America's Greatest Homecoming Celebration."

Carnival Chairman Andrew Price has an exciting setup for this year's carnival, bringing in popular local vendors, including Dirty Curty, Purdy Q, Thai Loco Tacos and Latte.

**"THE DELT CARNIVAL IS SYNONYMOUS WITH HOMECOMING AT OSU. IT HAS LONG BEEN A STAPLE OF DELTA TAU DELTA."
— ANDREW PRICE**

This year's carnival will feature a number of rousing carnival rides and activities, including the new "Wrecking Ball," an extreme air cannon cross between a tilt-a-whirl and a pendulum; a 28-foot mountain slide and, of course, the infamous dunk tank. The carnival will also feature fun midway games such as pig races, a string pull and balloon darts.

Proceeds for this year's carnival will go to benefit the Juvenile Diabetes

Research Foundation, Delta Tau Delta's national research philanthropy.

Additionally, there will be an alumni reception at the shelter that night with complementary refreshments.

Alumni and active family members can contact Price to pre-order a special discounted all-access passes, which give families unlimited access to all rides and attractions for the entire night.

FOR TICKET PRE-ORDERS, DONATIONS, PRICING AND AVAILABILITY OPTIONS, CONTACT ANDREW PRICE AT 405-921-0689 OR ANDREW.PRICE@OKSTATE.EDU.

CONNECTING WITH ALUMNUS JOE EASTIN

JOE EASTIN
PRESIDENT AND CEO – ISN

Joe ventured into entrepreneurship with ISN in 2001 and currently serves as the President and CEO. Headquartered in Dallas, ISN has offices

in Calgary, Sydney; London; Los Angeles; New York and Toronto. ISN is a software and service company that manages and amalgamates performance, safety and compliance data for organizations in the oil and gas, manufacturing and other capital intensive industries. Today, ISN has 60,000 subscribed companies in more than 75 countries.

ISN has grown from three employees to more than 450 employees worldwide; furthermore, ISN has been ranked one of Inc. magazine's 5,000 fastest growing privately-held companies for the past nine years.

He serves on several boards with Oklahoma State University, as well as the board of the Lone Star Chapter of the Young Presidents' Organization. Joe has been inducted into the OSU

Spears School of Business Hall of Fame, recognized as part of the Spears School Tributes: 100 For 100 and has also been instrumental in establishing the OSU Eastin/ISN Center for Talent Development, providing collegians with a framework to enhance professional development and career readiness.

Born and raised in Oklahoma, Eastin holds a Bachelor of Science degree in business administration from OSU and a Master of Business Administration from the MIT Sloan School of Management.

Joe greatly enjoys time with his family, friends and the company. He resides in Dallas with his wife and four children. Being an active father and outdoor enthusiast, you will often find him attending various extracurricular activities with his children.

SHOUT OUT

Ryan Aiken won Oklahoma State University's Wentz Semester Research Grant Sept. 10.

Any student can apply for the grant by writing research proposals and submitting them. A panel of judges selected 26 winners from there. As one of the winners, Aiken received a \$750 grant to conduct his original engineering research project.

Aiken, '1295, is a senior studying mechanical and aerospace engineering and is due to graduate in May 2017.

Delta Chi News was created on a MacBook Pro using Adobe InDesign CC 2015. The articles were written by Matt Cohlmlia II, Thomas Fleming and Conner Lock. This edition was sent by email and posted on the alumni Facebook page with help from Joe Millar and Dan Loving.

We hope to continue writing a column connecting alumni to one another and sharing stories. We would love for you to

send us your photos and stories from your time at the chapter, as well as any more recent photos and experiences that have happened in your life. Stories and photos can be sent to Joe Millar or Matt Cohlmlia.

What do you think of our newsletter? What would you like to see in our spring newsletter? Contact the chapter with your questions, comments or suggestions.

UPCOMING ALUMNI EVENTS YOU WON'T WANT TO MISS

We're always excited to host events that allow alumni to come back to Stillwater to connect between the generations of Deltas.

The 2016 Founders' Day luncheon will be held April 16 at the shelter. All alumni are welcomed to attend, as we hang out with fellow brothers, sharing stories. Afterward, alumni are welcome to walk around the shelter and see the recent renovations to the old wing.

The event is free to attend. Alumni are asked to RSVP to Joe Millar or Matt Cohlmlia no later than April 8 and are welcome to contact the chapter for further information. We hope to see you all there for Founder's Day 2016.

A new alumni event is also in the works. The first Delta Chi Alumni Golf Outing will be May 14 at Lakeside Memorial Golf Course and is designed to raise money for summer recruitment.

All alumni are welcomed to attend our first golf outing as a chapter. We hope to make this an annual event that can be attended by all alumni for many years to come.

The cost is \$75 per person, and as with Founder's Day, alumni are asked to contact Joe Millar or Matt Cohlmlia to get more information or to RSVP by May 1. There will be lunch included on the golf course.

LARGEST PLEDGE CLASS

Story continued from Page 1

a couple of them flew to campus for Move-In Day Aug. 14.

With all of these different talents, this year's pledge class aspires to take this chapter to new heights.

Willing and ready to represent the fraternity, many are already getting involved in on-campus events such as philanthropies, intramural sports and the university-sponsored shows Varsity Review and Spring Sing.

Over the course of the remaining pledgship, these 31 men will continue to learn the values and obligations of a Delt, getting ever so close to becoming an official member of Delta Chi Chapter of Delta Tau Delta Fraternity.
